The e-mark®go **Ruler** is the tool of your choice when it comes to perfect imprint positioning, printing on Wristbands, on uneven objects as well as on edges and difficult surfaces in general.

With the **Ribbon Guide** you are able to print on 3 different sizes of ribbons.

Various consumables expand the already manifold possibilities for making ordinary things extraordinary. Make your own ribbons, labels, signs, you name it.

Just let´s go …let´s print. It is that easy.
